# **CORPORATE SOCIAL RESPONSIBILITY POLICY**

**CSR Policy under the Companies Act, 2013 (18 of 2013) and  
Companies (CSR Policy) Amendment Rules, 2021**

Policy on Corporate Social Responsibility, Effective Date: 01 April 2021

This Policy has been approved by the Board of Directors of the Company at their meeting held on 24<sup>th</sup> November, 2021.

## **1. CSR PHILOSOPHY**

Livfast Batteries Pvt. Ltd. (Livfast) upholds its national, social and environmental responsibilities at the highest standards. These standards are a core part of our business values and operations as we passionately innovate products & solutions that will help us meet and surpass the expectations of our stakeholders, making Livfast an agent of change and pride in their lives.

Corporate Social Responsibility (CSR) at Livfast underscores this commitment to our stakeholders - in the communities around our plants & offices, and includes in its wider scope to those employed by its contractors and suppliers, ensuring that they benefit from the company's presence in their neighbourhood.

Livfast corporate social responsibility is rooted in the company's core values of innovation and passion, driven to work as a team with many partners, to establish excellent services and products that will transform the lives of people in our communities for better, forever.

## **2. CSR VISION**

The CSR philosophy outlined above, defines the strategic approach and choices that Livfast is making to achieve its CSR vision. We identify four key areas where Livfast will strengthen its CSR efforts. These identified areas will be aligned across all its target locations as well as other needy areas to ensure common focus and synergy in efforts;

1. **Education:** To enhance and create opportunities for access to good quality education, from primary education to higher technical education, leading to improved employment and all round development.
2. **Health:** To ensure available, accessible and affordable good quality healthcare services in the local communities leading to improved good health and wellbeing.
3. **Livelihood:** To create trained and skilled workforce through vocational & livelihoods linked trainings ensuring their participation in work.
4. **Environment:** To increase environmental resilience by providing communities with solutions and products to use alternate environment friendly technologies.

The company may also consider undertaking or supporting CSR initiatives beyond its geography in alignment to the four identified areas on matters of national importance based on community need and exigencies including natural disasters etc. We will involve the feedback and opinions of all stakeholders in assessing such emergent calamities, before investing in it. CSR activities shall be primarily implemented at geographic areas adjoining our Business units.
